# ABOUT US

The Indian Institute of Technology, Mandi (IIT Mandi) is nestled in the Shivalik Range of the Himalayas, away from the bustle of the metropolis. It is situated about 18 km from the town of Mandi, in the Kamand Valley on the banks of the Uhl, a tributary of the river Beas. Being surrounded by magnificent mountains, we truly understand that glory can only be achieved through vigor and hard work. IIT Mandi, since its inception in 2009, has persevered through every hardship and obstacle, soaring to great heights in all fields, be it technical, research, or sports.

RannNeeti is the largest inter-collegiate sports fest of the Himalayas, bringing together exceptional sporting talents from different colleges of many diverse states. It is the flagship sports event of IIT Mandi, carrying forward the spirit of persistence and providing a great platform for budding athletes who train relentlessly throughout the year to showcase their talent on a grand scale. With more than 1000 Participants from over 40 colleges, the last edition of RannNeeti was a true exhibition of sporting fervor.

This 9th edition of RannNeeti aims to continue the legacy passed on to us, to assist in the growth of sports, and build a sense of community. Our team is fully committed to organizing this RannNeeti with glory and grandeur.

# SECRETARY'S MESSAGE

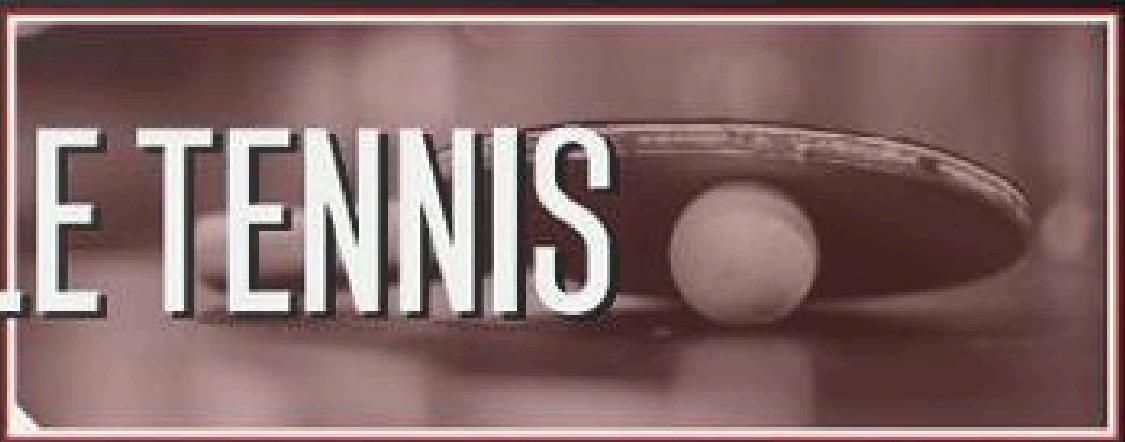

I am honored to present to you RannNeeti 2025, on behalf of the entire family of the Gymkhana Indian Institute of Technology, Mandi. This fest has achieved great success over the years as a medium to promote sports and inculcate healthy sportsmanship in young minds.

The lessons learned on the field help shape a brighter path ahead in a student's life, inculcating teamwork, self-discipline, and resilience in their character. The institute has therefore developed a high-class arena for a dozen sports, with indoor facilities ranging from badminton to squash and outdoor grounds featuring cricket, hockey, volleyball, and more, where students can hone their skills.

After the energy of Rann-Neeti 2024, the 9th edition has been eagerly awaited – and it's finally here! This year, the fest returns with fiercer competitions, vibrant pronites, and celebrations that promise lasting memories. Rann-Neeti is more than just a showcase of athletic talent – it's about sportsmanship, friendships, and experiences that stay with us for life. We warmly invite you to be a part of this journey and make Rann-Neeti 2025 truly unforgettable.
